Registration Agreement

- 1. IN THIS REGISTRATION AGREEMENT** ("Agreement"), "Registrant", "you" and "your" refers to the Registrant of each domain name registration, "we", "us" and "our" refers to ResellOne.net Co., and "Services" refers to the domain name registration services provided by us as offered through _____, the Registration Service Provider ("Reseller"). Any reference to a "registry," "Registry" or "Registry Operator" shall refer to the registry administrator of the applicable TLD or ccTLD. This Agreement explains our obligations to you, and explains your

obligations to us for the Services. By agreeing to the terms and conditions set forth in this Agreement, you are also agreeing to be bound by the rules and regulations set forth by a registry for that particular registry only.

2. **SELECTION OF A DOMAIN NAME.** You acknowledge and agree that we cannot guarantee that you will obtain a desired domain name registration, even if an inquiry indicates that a domain name is available at the time of your application for same. You represent that, to the best of the your knowledge and belief, neither the registration of the domain name nor the manner in which it is directly or indirectly to be used, infringes upon the legal rights of a third party and further, that the domain name is not being registered for nor shall it at any time whatsoever be used for any unlawful purpose.
3. **FEES.** As consideration for the Services, you agree to pay Reseller the applicable service(s) fees prior to the effectiveness of a desired domain name registration or any renewal thereof. All fees payable hereunder are non-refundable even if your domain name registration is suspended, cancelled or transferred prior to the end of your current registration term. As further consideration for the Services, you agree to:
 - (a) provide certain current, complete and accurate information about you as required by the registration process, and
 - (b) maintain and update this information as needed to keep it current, complete and accurate. All such information shall be referred to as account information ("Account Information"). You represent that the Account Information and all other statements put forth in your application are true, complete and accurate. Both ResellOne.net and each registry reserves the right to terminate your domain name registration if:
 - (i) information provided by you or your agent is false, inaccurate, incomplete, unreliable, misleading or otherwise secretive; or
 - (ii) you have failed to maintain, update and keep your Account Information true, current, complete, accurate and reliable. You acknowledge that a breach of this Section 3 will constitute a material breach of our Agreement, which will entitle either us or a registry to terminate this Agreement immediately upon such breach without any refund and without notice to you.
4. **TERM.** This Agreement will remain in effect during the term of your domain name registration as selected, recorded and paid for at the time of registration or any renewal thereof. Should the domain name be transferred to another registrar, the terms and conditions of this Agreement shall cease.
5. **MODIFICATIONS TO AGREEMENT.** You acknowledge that the practice of registering and administering domain names is constantly evolving; therefore, you agree that ResellOne.net may modify this Agreement, or any other related and/or applicable agreement, as is necessary to comply with its agreements with ICANN, a registry or any other entity or individual, as well as to adjust to changing circumstances. Your continued use of the domain

name registered to you will constitute your acceptance of this Agreement with any revisions. If you do not agree to any change, you may request that your domain name registration be cancelled or transferred to a different accredited registrar. You agree that such cancellation or request for transfer will be your exclusive remedy if you do not wish to abide by any change to this Agreement, or any other related and/or applicable agreement.

6. **MODIFICATIONS TO YOUR ACCOUNT.** In order to change any of your account information with us, you must use the Account Identifier and Password that you selected when you opened your account with us. You agree to safeguard your Account Identifier and Password from any unauthorized use. In no event shall we be liable for the unauthorized use or misuse of your Account Identifier or Password.
7. **NO GUARANTY.** You acknowledge that registration or reservation of your chosen domain name does not confer immunity from objection to the registration, reservation or use of the domain name.
8. **DOMAIN NAME DISPUTES.** You agree that, if the registration or reservation of your domain name is challenged by a third party, you will be subject to the provisions specified in the dispute policy adopted by the

applicable registry. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions contained in the applicable policy. If ResellOne.net is notified that a complaint has been filed with a judicial or administrative body regarding your domain name, ResellOne.net may, at its sole discretion, suspend your ability to use your domain name or to make modifications to your registration records until

- (a) ResellOne.net is directed to do so by the judicial or administrative body, or
- (b) ResellOne.net receives notification by you and the other party contesting your domain that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration or use of your domain name, ResellOne.net may deposit control of your registration record into the registry of the judicial body by supplying a party with a registrar certificate from us.

9. **POLICY.** You agree that your registration of the domain name shall be subject to suspension, cancellation, or transfer pursuant to a ResellOne.net, registry, ICANN or government-adopted policy, or pursuant to any registrar or registry procedure not inconsistent with a ResellOne.net, registry, ICANN or government-adopted policy,
 - (a) to correct mistakes by us or a registry in registering the name or
 - (b) for the resolution of disputes concerning the domain name.
10. **AGENCY.** Should you intend to license use of a domain name to a third party you shall nonetheless be the domain name holder of record and are therefore responsible for providing your own full contact information and for providing and updating accurate technical and administrative contact information adequate to facilitate timely resolution of any problems that

arise in connection with the domain name. You shall accept liability for harm caused by wrongful use of the domain name. You represent that you will secure the agreement of any third party to the terms and conditions in this Agreement

11. **ANNOUNCEMENTS.** We reserve the right to distribute information to you that is pertinent to the quality or operation of our services and those of our service partners. 12. **LIMITATION OF LIABILITY.** You agree that our entire liability, and your

exclusive remedy, with respect to any Services(s) provided under this Agreement and any breach of this Agreement is solely limited to the amount you paid for the initial registration of your domain name. ResellOne.net and its directors, employees, affiliates, subsidiaries, agents and third party providers, ICANN and the applicable registries shall not be liable for any direct, indirect, incidental, special or consequential damages resulting from the use or inability to use any of the Services or for the cost of procurement of substitute services. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, in such states, our liability is limited to the extent permitted by law. We disclaim any and all loss or liability resulting from, but not limited to:

You agree that we will not be liable for any loss of registration and use of your domain name, or for interruption of business, or any indirect, special, incidental, or consequential damages of any kind (including lost profits) regardless of the form of action whether in contract, tort (including negligence), or otherwise, even if we have been advised of the possibility of such damages.

You also agree to release, indemnify and hold us harmless

pursuant to the terms and conditions contained in the applicable Dispute Policy. When we are threatened with suit by a third party, we may seek written assurances from you concerning your promise to indemnify us; your failure to provide those assurances may be considered by us to be a breach of your Agreement and may result in the suspension or cancellation of your domain name. This indemnification obligation will survive the termination or expiration of this Agreement.

14. **TRANSFER OF OWNERSHIP.** The person named as Registrant on the

Whois shall be the registered name holder. The person named as Administrative contact at the time the controlling Account Identifier and Password are secured, shall be deemed the designate of the Registrant with the authority to manage the domain name. You agree that prior to transferring ownership of your domain name to another person (the "Transferee") you shall require the Transferee to agree, in writing to be bound by all the terms and conditions of this Agreement. Any such breach by you shall not be deemed to be excused simply because we did not act earlier in response to that, or any other breach by you.

16. **DISCLAIMER OF WARRANTIES.** You agree that your use of our Services is solely at your own risk. You agree that such Service(s) is provided on an "as is," "as available" basis.
